For this section fair weather, northerly winds, cooler Friday morning, followed by stationary temperature.

SINKING OF A TUG.—The tug Thomas Dove, of Washington, was capsized and sunk in the river near Indian Head, about 9 o'clock last night, by the schooner Belle Hardy. The schooner was loaded with coal from Georgetown and was bound for one of the Eastern ports. She left Georgetown yesterday evening in tow of the Dove and when off Indian Head cast off the tow line, having in the mean time hoisted sail, and still breeze had sprung up. In some way the tug became fouled with the line and could not get out of the way of the schooner which bore down upon her. The tug was struck by the main boom of the schooner, which carried away her pilot house and smoke stack, and capsized and sunk her in a few moments in about five fathoms of water. Her crew, Capt. John Lewis, engineer Andrew Cheshire, of this city, and fireman Hancock and steward escaped and were taken on board the schooner whence they were transferred to the tug D. M. Key and brought to this city. Engineer Cheshire had a narrow escape from drowning, having gone down with the tug, but on rising to the surface of the water succeeded in catching hold of the tug's small boat which he clung to till rescued. The night was very dark and the escape of the men was remarkable. Capt. Lewis left for Baltimore this morning to secure the services of a wrecking steamer to raise his tug. The Dove is a new tug, having been recently built at Baltimore, and came on the river last spring.

POLICE REPORT.—Last night was cloudy and about 12 o'clock when it became clear and cool. There were three prisoners at the station house.

Acting Mayor Strauss this morning disposed of the following cases:

Daniel Gobin, colored, arrested by Officer Tracy, charged with stealing a boat from Henry Coleman, also colored, had his case continued till this evening.

Timothy Henderson, colored, arrested by Officers Sherwood and Young for assaulting and beating Mary Williams, also colored, was fined \$10.

A colored woman arrested by Officers Young and Sherwood, charged with aiding a fugitive from justice to escape was fined \$1.

Three wagon drivers, one white and two colored, arrested on the charge of violating police regulations at the depot, were reprimanded and discharged.

Irvin Keen, arrested by Officer Brenner for disorderly conduct was fined \$1.

A plumber, arrested by Officer Price, charged with abusive language towards his wife, was put under bond of \$100 to keep the peace.

A CLERICAL SCANDAL.—A dispatch from Middletown, Conn., says: "The Episcopal Bishop of New Jersey has been asked to investigate a scandal affecting the character of the Rev. Mr. Glazebrook, a summer resident at Middletown, who has been charged by several eye witnesses with recent conduct at that place unbecoming a minister. Mr. Glazebrook is rector of St. James Church, at Elizabeth, N. J. A woman is concerned in the affair. Rev. Mr. Glazebrook left Middletown yesterday for Elizabeth, N. J., to ask the vestrymen of St. James Church to investigate the scandal concerning him, which, in a letter, he denounces as an infamous falsehood. He was chaplain in the Confederate army, and has been chaplain of the University of Virginia." Rev. Mr. Glazebrook was formerly rector of the Church of the Holy Trinity, Baltimore, and chaplain of the Fifth Maryland Regiment. He recently had calls to two prominent churches in New York. He is well known in this city.

PERSONAL.—Mr. Geo. Washington, jr., who was injured by the railroad collision near Orange C. H. on Tuesday last, spent a very comfortable night last night, and today was considered much better.

Dr. R. C. Powell has gone to Loudoun county to rusticate for a week.

Mr. W. A. Smith, jr., has returned from a pleasant visit to Colonial Beach.

Mr. and Mrs. F. L. Brockett have removed to Washington, which city they will make their home for the present.

Mr. and Mrs. Geo. T. Whittington have gone to Manassas to spend a week.

Judge C. E. Stuart is still confined to his house, though his health is somewhat improved.

Mrs. S. F. Dyson has gone to Williamsport, Pa., to visit her mother.

BAPTIZED ON THE STEAMER.—On Tuesday on the return trip of the steamer H. E. Bishop, from Lower Cedar Point, the combination excursion of Grace M. E. Church Smith and 12th Street M. E. Church of Washington, witnessed the baptism by Pastor J. D. Hill, of Raymond Edwin, infant son of John H. and Mary E. Shelton, of Washington. After the service the corset band rendered some nursery airs, closing with "Old Folks at Home." The captain purposes to have the photograph of the little tourist framed and placed on the steamer.

SERIOUS ACCIDENT.—Edward Selley, a young white man employed as brakeman on a Virginia Midland freight train met with a serious accident near Lynchburg yesterday while in the discharge of his duty. In attempting to get on the brakes he missed his footing and fell from the car to the track. The wheels passed over his leg, crushing it horribly. He was taken to Lynchburg for treatment. It is said that a favorable reaction set in last night, and the injured leg would probably be amputated to day.

FIREMEN'S MEETING.—A called meeting of the Columbia Steam Fire Engine Company was held last night to consider the invitation to attend the firemen's convention which is to meet at Allentown, Pa., on the 21st of September next. A committee was appointed to ascertain the cost of transportation, and to make other inquiries concerning the trip, and report at the next meeting. It is understood that many of the members of the company are in favor of attending the convention.

THE NORTON SHIP YARD.—Work at the Norton ship yard is progressing rapidly and the planking of the yacht being built there will be commenced in a few days. Another smaller boat now being constructed at the yard will be finished soon. Plans for a 350-foot passenger steamer to be built on the Norton system of construction are now in the hands of W. J. Hoag, of Philadelphia, who is to complete them in sixty days. This steamer will probably be built in Baltimore.

SUDDEN DEATH.—Mrs. Eliza Kinloch Nelson Massie, relict of N. H. Massie, died suddenly at her late residence, in Danville, yesterday evening. She was a sister of the late W. Kinloch Nelson, of the Episcopal Theological Seminary of Virginia, and leaves two sons and one daughter, N. H. Massie, a member of the Danville bar, R. K. Massie, who is studying for the ministry of the Episcopal Church, and Mrs. Thomas Hamlin.

ANOTHER ACCIDENT.—A northbound freight train, No. 3, on the Mid and road, broke in two parts about two miles south of Lynchburg at 12:30 o'clock this morning, and coming together again derailed and badly damaged three cars. No one was hurt, nor was the damage very material. The north bound passenger train, No. 53, was delayed in its arrival here to-day about eight hours, and the south-bound passenger train, No. 52, was compelled to remain at Lynchburg four hours in consequence of the track having been blocked. The track has been cleared and trains are now passing the scene of the accident.

NOT ILL.—Mr. H. Cabell Maddux, who was reported ill a few days since, sends the following dispatch to this office:

FAUQUIER WHITE SULPHUR SPRINGS, Aug. 25. To the Alexandria Gazette:

Please correct report that I am seriously ill. Am enjoying better health than I have done for years. H. C. MADDEX.

FIRE AT FALLS CHURCH.—A fire at Falls Church about one o'clock last night destroyed the dwelling of Mr. Kinsey of Kinsley & Bro's creamery, together with its contents. The barn and other outbuildings near the house were also destroyed and Mr. K's family barely escaped with their lives. The fire is supposed to have been of incendiary origin, but the perpetrators are unknown.

HEADQUARTERS TO OPEN.—We learn from the Richmond Dispatch of to-day that "the democratic headquarters at Alexandria will be opened permanently Monday, and from that time until the close of the campaign Secretary Scott will be in the office to correspond with any person desiring information relating to the canvass."

PROPERTY SALE.—Mr. J. S. Yeaton, of Baltimore, has sold to Mr. W. P. Woods, of this city, a lot of ground fronting 24 feet on the west side of Henry street, between Queen and Princess streets, for \$150.

LOCAL BREVITIES.

The Prince street assault case has been ended by the payment, by the defendant, wife, of the fine imposed.

On Monday last one-sixth interest in the Patti property in Warrenton was sold to Col. Thos. Smith for \$562.

A colored boy named Lambert was killed near Auburn, Fauquier county, on Monday last by being thrown from a horse and dragged.

The orchard of Dr. D. N. Rust, near this city, was robbed a few nights since of nearly all the pears, of which he had a large quantity.

The Chesapeake Presbytery will meet in the church at Marshall, Fauquier county, on September 29th, at 7:30 p. m., and continue in session several days.

Mr. Samuel Garnett, baggage master on the Washington local train, had one of his arms badly sprained yesterday by the sudden twist of a brake which he was loosening. The Committee on Streets held a meeting last night and prepared a bill in reference to the uptown drainage, which they will submit to Council to be called to-morrow night.

The room in Peabody School Building formerly occupied by Mr. J. T. Cole as a drug store has been fitted up as a school room and will be occupied as such during the coming session.

The State annual inspection of the Alexandria Light Infantry will be held at the armory, in this city, on the 5th of September, by Col. Jo Lane Stern, Inspector General of the State militia.

It is a superstition among railroad men that when one accident occurs on a road two others will soon follow. The Midland road having had three accidents this week it is hoped its bad luck is over.

The "cow law" seems to be a dead letter, and in the suburbs as many cows now roam the streets as they formerly did before the enactment of that law. But with many the suburbs are not considered a part of the city.

The stone crusher formerly owned by the Leersburg road district, was sold at private sale several days ago for \$250. The original cost of the machine to the district was about \$600. The superintendent of the Seneca stone quarries, on the Potomac, was the purchaser.

The water was turned off for a few hours to day in the vicinity of the plugs that were being repaired.

The "cool wave," though a little late, got here all the same, and has been duly appreciated.

The permits for children to enter the public schools will be issued next week at Peabody Hall.
